### AJHAE: COLLEGE CREDIT PLUS PROGRAM

AS APPROVED BY THE GOVERNING AUTHORITY ON AUGUST 19<sup>TH</sup>, 2023.

Ohio's College Credit Plus can help students earn college and high school credits at the same time by taking college courses from community colleges or universities.

The purpose of this program is to promote rigorous academic pursuits and to provide a wide variety of opportunities to college-ready students. Taking a college course from a public college or university is free. That means no cost to the family of public and private school students for tuition, books, or fees.

If a student chooses to attend a private college or university, they might have limited costs.
