REVIEWED AND UPDATED ON APRIL 22ND, 2023.

Use of Inhaler/Epinephrine Autoinjector

A student may possess and use a metered dose inhaler or a dry powder inhaler to alleviate asthmatic symptoms, or before exercise to prevent the onset of asthmatic symptoms, and/or an epinephrine autoinjector to treat anaphylaxis at School, any School-related activity, event, or program sponsored by the School or in which the School participates, if both of the following conditions are satisfied:

A. The student has the written approval of the student's physician and, if the student is a minor, the written approval of the parent, guardian, or other person having care or charge of the student. The physician's written approval shall include at least all of the following information:

1. the student's name and address;
2. the names and dose of the medication contained in the inhaler;
3. the date the administration of the medication is to begin;
4. the date, if known, that the administration of the medication is to cease;
5. circumstances in which the inhaler and/or autoinjector should be used;
6. acknowledgement that the prescriber has determined the student is capable of possession and using the inhaler and/or autoinjector appropriately and has provided the student with training in the proper use;
7. written instructions that outline procedures School personnel should follow in the event that the asthma medication does not produce the expected relief from the student's asthma attack; and/or in the case of an epinephrine autoinjector, the Student is unable to administer the medication or the medication does not produce the expected relief from the student's anaphylaxis;
8. any severe adverse reactions that may occur to the student using the inhaler and that should be reported to the physician;
9. any severe adverse reactions that may occur to another student, for whom the inhaler is not prescribed, should such a student receive a dose of the medication;
10. at least one (1) emergency telephone number for contacting the physician in an emergency;
11. at least one (1) emergency telephone number for contacting the parent, guardian, or other person having care or charge of the student in an emergency;
12. any other special instructions from the physician.

If these conditions are satisfied, the student may possess and use the inhaler at School or at any activity, event, or program sponsored by or in which the student's School is a participant.

The School, a member of the Board or the Board's representatives, or any Staff or employee is not liable in damages in a civil action for injury, death, or loss to person or property allegedly arising from a Staff Member's prohibiting a student from using an inhaler because of a Staff Member's good faith belief that the conditions of Subparagraphs 1 and 2 of this Section had not been satisfied. The School, a member of the Board, the Board's representatives, or any Staff or employee is not liable in damages in a civil action for injury, death, or loss to person or property allegedly arising from a Staff Member's permitting a student to use an inhaler because of a Staff Member's good faith belief that the conditions of Subparagraphs 1 and 2 of this Section had been satisfied. Furthermore, when the School is required by this Section to permit a student to possess and use an inhaler because the conditions of Subparagraphs 1 and 2 of this Section have been satisfied, the School, any member of the Board, or the Board's representatives, or any Staff or employee is not liable in damages in a civil action for injury, death, or loss to person or property allegedly arising from the use of the inhaler by a student for whom it was not prescribed.

This Section does not eliminate, limit, or reduce any other immunity or defense that a School, member of a Governing Authority, or Staff or employee may be entitled to under Chapter 2744, or any other provision of the Revised Code or under the common law of this state.
