ADMISSION FOR RESIDENTS OUTSIDE OF DISTRICT

Reconstructed copy. The original standalone 2024-2025 website PDF is no longer retrievable from its former host. This copy uses only the corresponding language preserved in AJHAE's current Admissions and Enrollment Policy; no new eligibility terms have been added.

AJHAE accepts applications from any Ohio resident regardless of district boundaries.

Students transferring from another Ohio district or charter must provide available records, including proof of residency, birth record, immunizations, withdrawal form, and report card.

Failure to provide all documents at the time of enrollment shall not prevent provisional admission if the parent/guardian demonstrates intent to obtain them.

This reconstructed copy preserves the outside-district admission language contained in AJHAE's board-adopted Admissions and Enrollment Policy.
