# Student Wellness and Success Funds

**AJHAE utilizes Student Wellness and Success Funds for allowable purposes identified in ORC 3317.26, including:**

- **Mental health services and supports for students;**
- **Physical health and wellness initiatives;**
- **Student attendance and dropout prevention strategies;**
- **Academic intervention and prevention services;**
- **Family and community engagement activities;**
- **Social-emotional learning and behavior supports;**
- **Services for students identified as at-risk of academic failure, chronic absenteeism, or disengagement from school;**
- **Professional development and resources that support student wellness and success outcomes.**

**The School's Wellness Policy, attendance initiatives, intervention programs, family engagement activities, and student support services are aligned with the goals outlined in the Student Wellness and Success Funds Plan. Funds are used to remove barriers to learning, improve attendance, support student mental and physical health, and increase academic achievement.**
