OHIO'S STATE TESTS IN ENGLISH LANGUAGE ARTS, MATHEMATICS AND SCIENCE

2025-2026 AJHAE TESTING CALENDAR

State achievement tests tell us how well our students are growing in the knowledge and skills outlined in the state of Ohio Learning Standards. These tests help guide and strengthen future teaching so we can be sure that we are preparing our students for long-term success in school, college, careers and life. Test results also allow citizens to know how their local schools are performing compared to others around the state.
