

Career Advising & Student Success Plans

AJHAE complies with:

- Ohio career advising requirements;
- Ohio Department of Education and Workforce (ODEW) guidance;
- Ohio Revised Code (ORC);
- Ohio Administrative Code (OAC);
- Applicable federal education laws;
- Community school sponsor standards and requirements.

AJHAE provides career advising and student success planning in accordance with:

- Ohio Revised Code (ORC)
- Ohio Department of Education and Workforce (ODEW) requirements
- Ohio's Career Advising Policy requirements
- Applicable community school sponsor standards and expectations

The school works to help students identify their strengths, interests, goals, and future opportunities while supporting academic achievement and long-term success.

Career Awareness & Exploration

AJHAE provides age-appropriate career awareness and exploration opportunities designed to help students:

- Identify personal interests and strengths;
- Explore career pathways and industries;
- Understand connections between education and careers;
- Develop academic and personal goals;
- Build college and career readiness skills.

Career exploration activities may include:

- Classroom instruction;
- Career discussions and activities;
- Guest speakers;
- Career-focused projects;
- Leadership opportunities;
- Community partnerships;
- College and career readiness events.

Student Success Plans

Student Success Plans are designed to support each student's academic progress and future readiness.

Plans may include:

- Academic goals;
- Career interests;
- Postsecondary interests;
- Intervention supports when needed;
- Graduation pathway planning;
- Attendance and engagement supports;
- Social-emotional or behavioral support strategies when appropriate.

The school may review and update plans periodically to support student growth and progress.

Academic & Career Readiness Support

AJHAE supports students in developing skills necessary for future success, including:

- Critical thinking;
- Communication skills;
- Problem-solving;
- Leadership;
- Collaboration;
- Digital literacy;
- Workplace readiness skills.

The school encourages students to build strong academic foundations while exploring future opportunities and interests.

Parent & Family Partnership

AJHAE values parent and family involvement in student planning and future readiness.

Families are encouraged to:

- Participate in conferences and planning discussions;
- Support academic and career exploration goals;
- Maintain communication with school staff;
- Encourage attendance, engagement, and academic success.

Individualized Support & Interventions

Students who may need additional academic, behavioral, attendance, or engagement support may receive individualized interventions and assistance.

Support services may include:

- Academic intervention;
- Tutoring;

- Counseling supports;
- Attendance support plans;
- Behavioral interventions;
- Mentoring or student support services.

College & Career Readiness

AJHAE encourages students to explore postsecondary opportunities, including:

- College and university pathways;
- Career technical education opportunities;
- Workforce readiness;
- Skilled trades;
- Military pathways;
- Entrepreneurship and leadership opportunities.

The school strives to help students become prepared for lifelong learning and future success.

Nondiscrimination

Career advising, student success planning, and related opportunities shall be provided without discrimination based on race, color, national origin, sex, disability, religion, age, military status, or other protected classifications under applicable law.
